

Wireless Conference System Lithium Battery
TH-0596

Features

- * Excellent safety performance, light weight & High capacity ratio.
- * The battery life is usually approximately 300 charge cycles.

Specifications

Model	TH-0596
Power Supply	~110V/60Hz or ~230V/50Hz
Rated voltage	DC3.7V
Discharge current	<500mA
Charge current	<700mA
Working time	>8 hours
Standby time	>24 Hours
Charging voltage	DC5V
Dimension	47 x 40 x 12mm
Weight	54g
