

MANUFACTURER, SUPPLIER ISOLATION TRANSFORMER

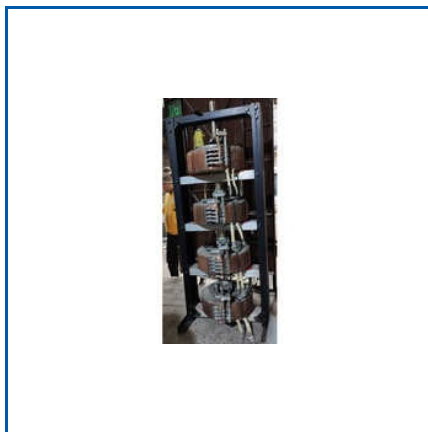

We Deliver What We Promise.

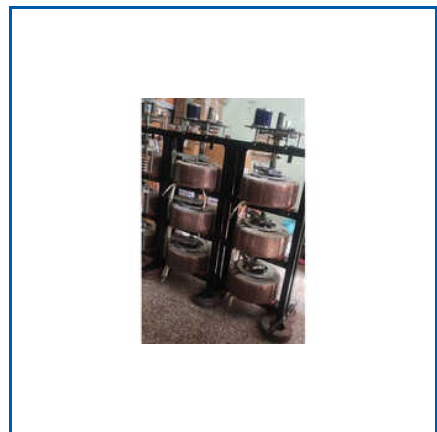

100 KVA Isolation Transformer, 1200 A Motorized Variac Variable Auto Transformer, 200 KVA Servo Voltage Stabilizer, 50 KVA Servo Voltage Stabilizer, 500 KVA Servo Voltage Stabilizer, 900 A Motorized Variac Variable Auto Transformer, Servo Controlled Voltage Stabilizer, etc.

**100 KVA ISOLATION
TRANSFORMER**

**1200 A MOTORIZED VARIAC
VARIABLE AUTO TRANSFORMER**

**900 A MOTORIZED VARIAC
VARIABLE AUTO TRANSFORMER**

About Us

Welcome to our company, Newton Devices Private Limited, a leading manufacturer and supplier specialized in the production of Isolation Transformers, Variable Auto Transformers, and Voltage Stabilizers. We provide our products to a wide range of industries with a dedication to engineering quality and client satisfaction. Our cutting-edge manufacturing facilities guarantee precision engineering and compliance with global quality standards, delivering dependable and effective products that satisfy the demanding requirements of contemporary technology. With the support of a group of knowledgeable experts and a commitment to innovation, we work hard to provide solutions that maximize efficiency, improve dependability, and protect your equipment from damage during power fluctuation.

Our loyal clientele attests to our dedication to producing Variable Auto Transformers, Isolation Transformers, and Voltage Stabilizers with the highest caliber. Clients who have opted to buy from us have complimented us for the dependability, effectiveness, and longevity of our merchandise. They value the individualized attention they get from our skilled staff, who make sure every purchase exceeds their expectations and satisfies their unique needs. We are proud of the increasing number of loyal clients that come to us for all of their electrical solution needs since they know they can rely on us for top-notch goods and first-rate support.

Key Facts

No of Staff	9
Year of Establishment	1993
OEM Service Provided	No

Our Products

Servo Controlled Voltage Stabilizer

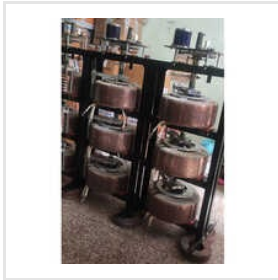

1200 A Motorized Variac Variable Auto

100 KVA Isolation Transformer

200 KVA Servo Voltage Stabilizer

900 A Motorized Variac Variable Auto

500 KVA Servo Voltage Stabilizer

50 KVA Servo Voltage Stabilizer
