About Us

Recently established in 2023, Obbo Industries is setting benchmarks in the industry. We are noteworthy manufacturers in the market, engaged in supplying a broad range of perfectly developed Minisumo Cloth Drying Stands, King Jumbo Cloth Drying Stands, Ladders, and other products. We are a quality-conscious organization and hence, our priority is to maintain the optimum standards of quality across our product range.

With the support of our diligent professionals, we bring forth a quality-assured product range at affordable prices. Our professionals understand the requirements of our customers and are well-aware of industrial norms. Therefore, by incorporating their market intelligence, they design the most desirable product range. All our products are longer-serving, modern in design, and lightweight.
