About Us

Global Medi Exporters is a notable manufacturer and supplier of hydroponic trays, goat feeder trays, medical inflatables, multilane mats, FRP beams, etc. Established in 1990, we have become a trusted name of the market by setting benchmarks of quality, reliability, and excellence. Each product is designed by a team of experienced professionals using high-grade raw materials for ensuring unmatched reliability and functionality.

Global Medi Exporters is a major manufacturer and supplier of hydroponic trays, goat feeder trays, medical inflatables, multilane mats, FRP beams, etc. The vision of the mentor of Global Medi Exporters, Mr. V Sathish, helps us to gain success. His in-depth knowledge and sharp business acumen combined with his innovative approach have contributed to the growth of our company. Today, we have taken over the market as a leader and have earned the faith of clients across the country.
