## About Us

New Leaf Enterprises holds a reputation for being a leading manufacturer and supplier of Plastic Basket, Jammu Plastic Bath Mug, Plastic Bingo Box, Plastic Onida Small Box, Plastic Brush Stand, and more. We offer a varied range of plastic products, among which clients can choose according to their requirements. Our products, made using premium-grade raw materials, are durable, efficient, last a long time, and available at market-leading costs.

New Leaf Enterprises, founded in 1998, in Ghaziabad, Uttar Pradesh, India, manufactures and supplies Plastic Bucket, Jammu Plastic Bath Mug, Plastic Bingo Box, Plastic Onida Small Box, Plastic Brush Stand, and more. Our infrastructure, which is solidly built, has greatly aided us in completing all of our consignments on schedule. Our cutting-edge infrastructure facility is fully furnished with the most recent instruments and technology required for the production. As a result of our ongoing machine upgrades, we are more productive. The organized departmentalization of our facility aids in our timely completion of each order. In addition, our large warehouse space aids in inventory management. This is kept in good condition and is separated into different shelves and comparisons. We are able to meet the urgent and large-scale needs of our clients thanks to our inventory.
