About Us

Capitalizing on the advantage of more than three decades of industry experience, Sanchit Metal has emerged as a trusted manufacturer and supplier of a premium range of lunch boxes, thermoware, thermosteel products, and bottles. A few of our designed products include ALECS 3 Pouch Lunch Box With Airtight Lid, Matty 2 Pouch Lunch Box With Airtight Lid, Hotline Hot Pot Chapati Box, Blaze Stainless Steel Single Wall Bottle, and Stainless Steel Container Set Of 2 With Airtight Lid. Our products are designed for safe storage of foodstuffs at home as well as when people are on the move.

Sanchit Metal was established in 1988 in Delhi as a trusted manufacturer and supplier of Real Food 2 Pouch Lunch Box With Lock And Seal Lid, Stella Thermoware Casserole, Aqua Cool Water Jug Set, Silver Tone Stainless Steel Hot Thermosteel Lunch Box, Royal Choice Thermosteel 2 Container Lunch Box, etc. During more than three decades of our market existence, we have gained an immense market reputation quality of our products, appealing designs, trendy looks, and suitability for food and beverages. Our products are highly suitable for the storage of food and drinking water. The lunch boxes have been designed for carrying lunch to offices, colleges, schools, workplaces, or even while traveling to some other places. Similarly, thermoware products are perfect for keeping food warm and fresh for a long time.
