## About Us

In order to meet the growing demands of plastic fittings, Nexa Polyplast, was started in 2016. We are a well-established company, working as a manufacturer and trader to offer the finest quality Transaction Bush, Socket Tank Nipple, Reducer Tee, Reducer Coupler, Metal Clamp, Female Thread Adaptor, Concealed Valves, Brass Elbow, 3 in 1 Mixer Adapter, and many other products.

We pay attention to the quality aspect of our products as it helps in bringing the finest features in our offerings. We dispatch our plastic products after conducting many quality tests and getting assured regarding the quality. Our products are examined on the basis of their resistance against chemicals, finishing, durability, design accuracy, cracks-free surface, and many other qualities.
