

CABLE FLOAT SWITCH

FLOAT AND BOARD LEVEL INDICATOR

TOP MOUNTED MAGNETIC FLOAT

1-2 INCH STAINLESS STEEL FLOAT VALVE

Driven by engineering excellence, Float Engineering specializes in the design and distribution of high-performance different types floats and valves for critical industrial applications. Our products are built to meet rigorous standards of safety, reliability, and efficiency—making them ideal for sectors such as oil & gas, power, chemical processing, and infrastructure. Every valve we deliver reflects our focus on quality control, precision, and operational integrity.

About Us

MMC Floats and Valves is a leading manufacturer and supplier of high-quality Float Indicators, Magnetic Floats, Cable Float Switches, Ball Float Steam Traps, etc. Based in Mumbai, Maharashtra, India, we have established ourselves as a trusted name in the industry, delivering precision-engineered products that meet the highest quality standards. With a commitment to innovation, durability, and performance, we cater to diverse industrial applications, ensuring efficiency and reliability in fluid level control and steam management.

Our state-of-the-art manufacturing facility, equipped with advanced machinery and cutting-edge technology, enables us to design and produce customized solutions tailored to the unique requirements of our clients. We follow stringent quality control measures, ensuring that every product undergoes rigorous testing for accuracy, durability, and functionality before reaching our customers.

Backed by a team of experienced engineers and industry experts, MMC Floats and Valves continues to push the boundaries of excellence. Our customer-centric approach, prompt delivery, and competitive pricing make us a preferred choice for industries seeking high-performance float solutions. At MMC Floats and Valves, we are dedicated to delivering excellence with every product we manufacture.

Our Products

Wafer Type Butterfly Valve

Flanged End Butterfly Valves

Forged Steel Gate Valves

Three Piece Ball Valve

Flanged End CI Gate Valve

API Gate Valve

Industrial Gate Valve

Hastelloy Gate Valve

Flanged End 3 Way Ball Valve

Square Instrumentation Ball

Forged Ball Valve

Threaded End Ball Valve

KSB Butterfly Valves

Lug Butterfly Valve

Female Butterfly Valve

KsbAmri Butterfly Valve Isoria Boaxs
