## About Us

The most reliable business partner that is backed by a state-of-the-art infrastructure for meeting versatile demands of buyers is Rachana Engitech. We are exceptionally guided by our notable mentor Mr. Jayesh Vyas, which has enabled us to reach the new heights in the business. His skills to effectively use resources aid in carrying out several operations in an unwavering manner.

Our company being a top manufacturer makes certain to utilize industry-proven base materials to manufacture durable products. We have CNC, VMC and many other associated machines for manufacturing remarkable products such as Steel Eye Bolt, Cast Steel Casting, Metal Casting and others.

Our procurements makes certain to check base materials prior using them for manufacturing process. This is done to maintain quality of our products intact on several functional grounds. We have managed serving to big entities of this sector such as Smita Valve, Craddle Runaways and more by maintaining exclusive machined parts. Our gamut of machined parts is highly demanded for high endurance, resistance to corrosion and matchless strength.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>No of Staff</b>	10
<b>Year of Establishment</b>	2013
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No

**Our Products**

**Aluminium Carbon Steel Casting**

**Industrial Steel Investment Casting**

**Aluminum Gravity Die Casting**

**Aluminum Casting**

**Industrial Die Casting**

**Metal Die Casting**

**Forged Eye Bolt**

**Steel Eye Bolt**

**Stainless Steel Investment Casting**

**Stainless Steel Sand Casting**

**Cast Steel Casting**

**Mild Steel Manganese Casting**

**Aluminum Pressure Die Casting**

**Stainless Steel Pressure Die Casting**

**Stainless Steel Customized Casting**

**Chemical Anchor Bolt**
