Pressure Transmitter

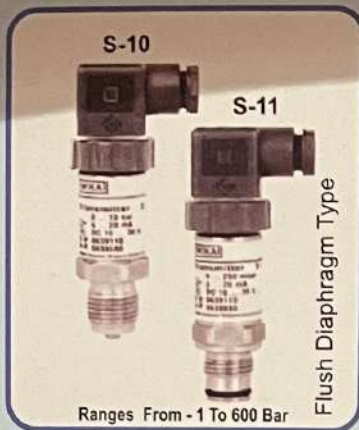

Compressor

SS Braided Hose

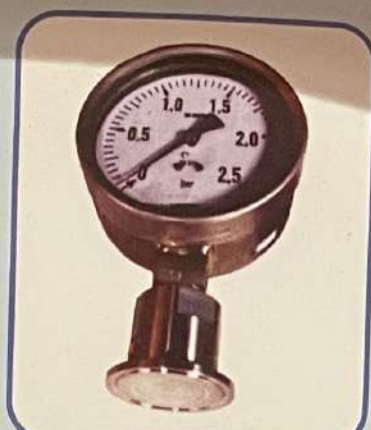

AUTOMATION & INSTRUMENTATION

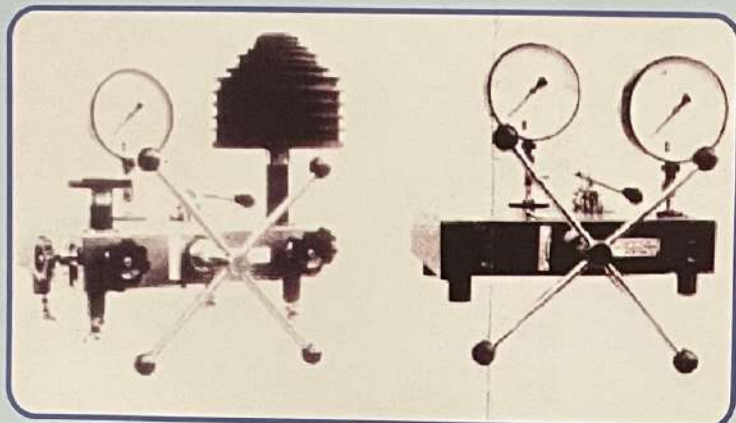

Pressure Transmitter

Temperature Sensors

Diaphragm Seals with Flush Diaphragm

Pressure Calibrators

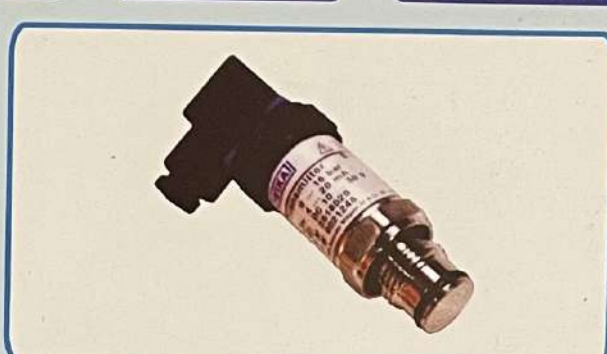

Bimetal Thermometers

Pressure Gauge

Temp. Indicator : Range - 30 to + 400 Degree Cen.

Pressure Transmitter : Diaphragm Type

PID Controller
Microprocessor based design

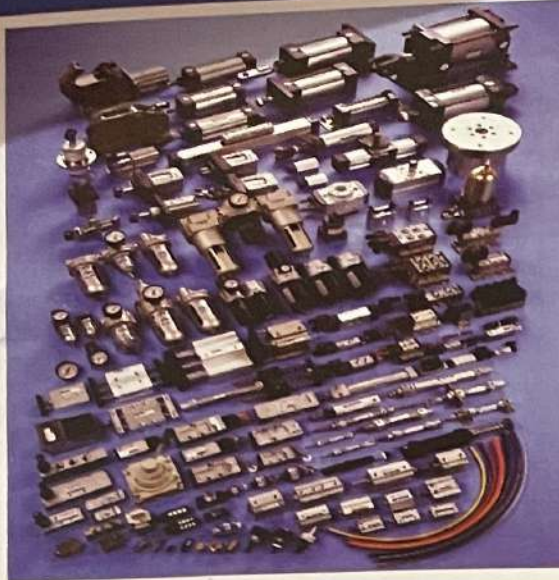

Signal Isolator

SV8 Series Display Meter

Analog & Digital Pressure gauges & other type of Instrumentation products are also available.

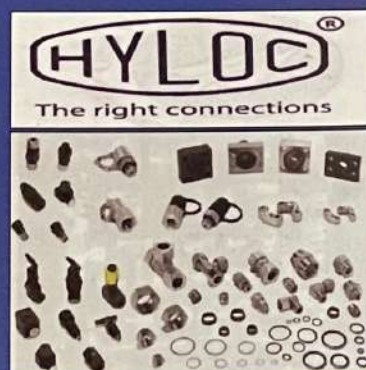

PNEUMATIC & HYDRAULIC FITTINGS & ACCESSORIES

All Types of Brass Fittings

International & Indian Pneumatic products are available.

EATON

Aeroquip

Polyhose

hydroline
PRODUCTS

AIR DRYERS & COOLING TOWER

Refrigerated Air Dryer

Desiccant Air Dryer (HLN Series)

Wall Mounted Refrigeration Air Dryer

Dry Air Cooler

FRP Cooling Tower

Low Discharge Auto Drain Valve

High Discharge Auto Drain Valve

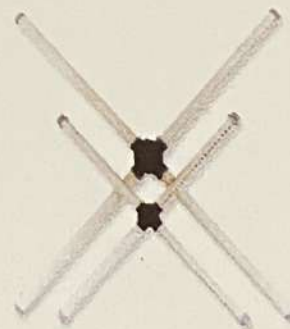

Zero Air Loss Drain Valve

Pre, Oil & After Filter

Spares of Cooling Tower

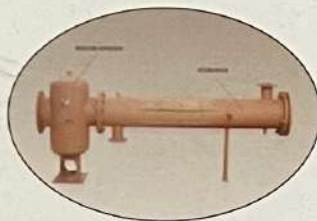

Spares of Cooling Tower

All type of Moisture, Oil, Pre & After filters available.

COMPRESSOR & SPARES

Screw & Recip Compressor

Vertical Compressor

After Cooler with Moisture Separator

Recip Compressor Spares

Filter For Screw Compressor

Filter for Screw Compressor

Air Receiver

Screw Compressor Spares

Crank Shaft

Crank Pin Bush

Cylinder

Piston with Pin

We conduct annual maintenance contract & one time servicing of all type of compressor Spares for gas & refrigeration compressor are also available with us.

AIR LINE ACCESSORIES

Ball Valve

Non Return Valve

Butterfly Valve

Gate Valve

Actuated Ball Valve

Pressure Switch

Pressure Switch

Oil Filter

Air Tools (Pneumatic Tools)

Pneumatic Grease Pump

SS Corrugated Hose & Fittings
