

# Oval Gear Flow Meter

*Best Destination For Quality Lovers*

220 V Solvent Flow Meter, 220 V Turbine Flow Meter, 230 V AC Flow Totalizer, 28V DC Pressure Transmitter, 440 V Flow Totalizer Indicator, Battery Operated Oval Gear Flow Meter, Battery Operated Turbine Flow Meter, Diesel Fuel Flow Meter, Digital Flow Indicator Totalizer, Digital Fuel Oil Turbine Flow Meter, Digital Oval Gear Flow Meter, Digital Thermal Mass Flow Meter, Digital Turbine Flow Meter, Electromagnetic Digital Flow Meter, Flame proof Turbine Flow Meter, etc.

**220 V SOLVENT FLOW METER**

**BATTERY OPERATED TURBINE FLOW METER**

**FLAME PROOF TURBINE FLOW METER**

## About Us

At Proscaleit Engineering, we bring advanced measurement and control solutions to industries that demand precision and reliability. Established in 2022 in Vadodara, Gujarat, India, our company has quickly built a reputation as a trusted trader and supplier of high-quality flow meters and instrumentation products. We focus on offering technologically advanced equipment that supports efficient operations across multiple industrial applications. We specialize in supplying a wide range of products such as Flame proof Turbine Flow Meter, Oval Gear Flow Meter, Flameproof Batch Totalizer, Diesel Fuel Flow Meter and Pressure Transmitter. Each product is sourced with care to ensure compliance with safety standards and long-lasting performance. Whether its managing liquid flow, monitoring fuel consumption, or ensuring accurate pressure measurement, our solutions are designed to meet the needs of modern industries.

Our growth has been driven by our ability to understand client requirements and deliver solutions that add real value. From inquiry to after-sales support, we maintain a transparent and professional approach in every interaction. Our customer-first mindset has allowed us to develop long-term partnerships across industries such as oil and gas, chemical, power, water treatment, and manufacturing. We firmly believe that strong client relationships are the foundation of sustainable business success.

## Key Facts

<b>No of Staff</b>	6
<b>Year of Establishment</b>	2022
<b>OEM Service Provided</b>	No

**Our Products**

**PE-105 Digital Flow Meter**

**220 V Turbine Flow Meter**

**Digital Fuel Oil Turbine Flow Meter**

**Diesel Fuel Flow Meter**

**Industrial Diesel Flow Meter**

**Digital Turbine Flow Meter**

**Positive Displacement Flow Meter**

**Oval Gear Flow Meter**

**Digital Oval Gear Flow Meter**

**PE-106 Oil Flow Meters**

**Battery Operated Oval Gear Flow Meter**

**Fuel Consumption Flow Meter**

**Digital Flow Indicator Totalizer**

**230 V AC Flow Totalizer**

**Flameproof Batch Totalizer**

**440 V Flow Totalizer Indicator**
