CERTIFICATE OF PERFORMANCE

This document serves to validate the performance exhibited during the installation work carried out at Package 1 & Package 2 of the Kolkata Metro project. The installation endeavors were undertaken by the organization, M/S N.G ELECTRICAL EMPORIUM, and have been executed with remarkable proficiency under the RVNL – Kolkata Metro project. Their unwavering commitment to meeting specified standards has resulted in a consistently satisfactory performance, evident throughout the duration of this project. The primary scope of the installation work encompassed the following elements:

Package-1 Supply and Installation Work (PO 20235):

- **Work done Value: 5,458,175/-**
- Erection work consists of 1) Viaduct cable Hanger works, 2) Earth Electrode work, 3) Station outdoor earthing works, 4) Cross bonding work with 1x400 Sqmm Cu cable including end terminations, 5) Main line Rail Hole, Cable Tray & Cable support erection work

Package-2 Supply and Installation Work (PO 20776):

- **Work done Value: 428,562/-**
- Erection work consists of 1) Viaduct cable Hanger works, 2) Earth Electrode work, 3) Station outdoor earthing works, 4) Cross bonding work with 1x400 Sqmm Cu cable including end terminations, 5) Main line Rail Hole

It is imperative to underscore that this installation work remains subject to their Defect Liability Period (DLP). During this period, all warranties and accountabilities related to any inherent imperfections in the installation squarely rest with M/S N.G ELECTRICAL EMPORIUM, reaffirming their dedication to delivering a flawless project.

This certificate has been duly issued in strict accordance with the requisition outlined in email, dated October 14, 2023 of M/S N.G ELECTRICAL EMPORIUM.

TO WHOM IT MAY CONCERN

This is to certify that **N G Electrical Emporium**, of 2B, New Tangra Road, Kolkata - 700 046 was engaged with our concern as sub-contractual agency since 2017.

During those period the said agency were involved with different types of works viz. 1.1 KV Electrical Installation Works at Multistoried Building, Security Lighting, Installation & Maintenance of 11 KV & 33 KV HT OH Networks including Fabrication and Installation of LT Distribution Panels, Switch Gears etc.

The said agency is very disciplined and well controlled in its works. We got satisfaction working with them and would like to work with them again in future. We wish that agency success in everything it does.

Thanking you.

Yours faithfully,
