About Us

Leveraging on our advanced manufacturing techniques, we, Young Brothers are committed to offer a qualitative range of Medical Equipment. Established in the year 1980, we are a noted manufacturer, exporter, importer and supplier of Biological Charts, Video Cassettes / CD Rom, Anatomical Models, Medical Models, Forensic Science Models, Nursing Training Manikins, Scientist Portraits, Microscopic Glass Slides, and Human Skeleton Models. We provide Charts that are specially designed to function as a reference material to help increase knowledge related to human anatomy, physiology, forensic medicine, genetics, various diseases, and the importance of pathological conditions. Our range of products have received worldwide acclamation because of its high durability, performance, and functionality. Manufactured as per international quality standards, our entire range is widely in demand in the worldwide market.
