About Us

With a mission to reach the pinnacle of success and achieve maximum levels of customer satisfaction, Star Comfort Industries was incorporated in the year 2007. In a very short span of time, we have established a reputation of being the most reliable and trusted manufacturer and supplier of Polyester Wadding, Thermal Bonded Polyester Wadding, Chemical Bonded Polyester Wadding, Thermal Blocks, Compact Wadding, Circular Fabrics, Circular Knitted Socks, etc.

Star Comfort Industries follows a quality-centric policy, and produces the best possible range of products which includes Wadding, Acoustic & Thermal Insulation and Non Woven Filter Media, . As a prominent Manufacturer & Supplier in this field, we work with the latest as well as core manufacturing technologies that bring reliable, versatile and economical products. All our manufactured products are fine in terms of design, installation, endurance and service life. Moreover, these are offered in a variety of specifications and grades that meet the requirements of different commercial & industrial applications. We cater to the needs of industries like construction, engineering, packaging and others.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	acosutic wood wool panels,acoustic panels,thermal insulation materials,acoustic insulation material,polyester wadding
No of Staff	10
Year of Establishment	2007
OEM Service Provided	No
Memberships	Indian Green building council
ProductRange	acosutic wood wool panels,acoustic panels,thermal insulation materials,acoustic insulation material,polyester wadding
