About Us

Ashish Foils Private Limited is a leading Delhi-based manufacturer and exporter of premium stainless steel kitchenware. Founded in 2010 by the Jain brothers after over a decade of hands-on industry experience, we have built a reputation for manufacturing excellence, heavy-gauge quality, and reliable bulk supply. Today, our extensive range of kitchenware is trusted by distributors, retailers, and customers across India and international markets as we continue expanding our presence in organized retail.

Ashish Foils Pvt. Ltd. was founded in 2010 in Delhi, India and is a manufacturer and supplier of stainless steel lid plate, stainless steel dinner plate, stainless steel deep mixing bowl, stainless steel pet bowl, PVD gold plated thali, etc. Our stainless steel products are built to protect and serve with quality, innovation, and customer satisfaction, and provide durable, elegant, reliable performance for various household and commercial needs, while maintaining food safety standards. The high quality raw materials used in making our products make them valued for their corrosion resistance, smooth polished surfaces, strength, and durability. Precision craftsmanship and stringent quality control measures are used to keep manufacturing to a high standard, ensuring that the products are consistently excellent. Our team of experienced personnel and cutting-edge production methods enable us to create products that keep up with the demands of our customers.
