About Us

Deshanjay Exports is a leading Indian exporter supplying a wide range of plant and machinery, spare parts, industrial consumables, packaging materials, and raw materials to FMCG manufacturers across Africa and Middle East countries. With strong sourcing networks in India, China and Europe, and a deep understanding of African market requirements, we provide reliable, cost-effective, and timely supply solutions. With over 30 years of experience in FMCG manufacturing including 15 years working in East Africa we understand the operational challenges of factories and deliver products that meet practical, on-the-ground needs. From small manufacturers to large industrial units, our customers trust us for quality products, competitive pricing, and consistent service.
