About Us

Established with a commitment to quality, innovation, and customer satisfaction, Shri Balaji Chemicals is a trusted manufacturer, exporter and supplier of premium-grade organic chemicals. Based in India, we specialize in providing a wide range of high-purity chemicals such as N-Heptane HPLC, Methanol, Acetone, and Tetrahydrofuran, which are widely used in laboratories, pharmaceuticals, chemical industries, and research institutions. Our products are formulated and processed under strict quality control measures to ensure superior purity, consistency, and performance in various industrial applications.

We combine advanced manufacturing techniques with a skilled team of professionals who continuously strive to maintain international quality standards. We are dedicated to sustainability and safety, ensuring our production processes are environmentally responsible and compliant with regulatory norms. Our state-of-the-art infrastructure, robust supply chain, and customer-centric approach enable us to deliver reliable solutions with timely execution. Driven by integrity and excellence, we aim to build long-term partnerships with our clients by offering high-quality organic chemicals at competitive prices. With a strong focus on innovation and continuous improvement, Shri Balaji Chemicals stands as a dependable name in the chemical industry, catering to diverse industrial needs with precision and professionalism.

Key Facts

No of Staff	10
Year of Establishment	2021
OEM Service Provided	No
Monthly Production Capacity	AS PER CUSTOMER REQUIREMENT

Our Products

1 Ltr Methanol

Acetonitrile HPLC

1 Ltr Tetrahydrofuran

1 Ltr Acetone

ADDRESS

**14, Samadhan Linking Road,
Santacruz West, Mumbai,
Maharashtra, India (400054).**
