About Us

Chandramaan Laser LLP is a newly formed company, started by Mr. Sambhav Kataria. We have started our business after properly analysing the market for products like Acrylic Sheets, Aluminium Checker Plates, Aluminium Sheets, MDF Sheets, Stainless Steel Sheets, JSL SS Sheets, and many others. With our rich knowledge of the product-line, we offer the finest items that are low on cost and highly reliable. We are an expert trader, which offers products in various sizes, grades, and specifications. The wide product availability helps us in meeting the demands of a huge clientele with ease and proficiency.

We, Chandramaan Laser LLP, are experts at trading Aluminium Sheets, MDF Sheets, Stainless Steel Sheets, JSL SS Sheets, Acrylic Sheets, Aluminium Checker Plates, and many other products. Each of our offered piece is procured from certified manufacturers after confirming compliance with industry set standards. We smoothly handle our trading operations due to the built extensive shipment network, which connects us to various cities and enables in timely delivering orders.
