About Us

Founded in 2023 in Morbi, Gujarat, India, Levona Impex manufactures, supplies, and trades items like Counter Top Basin, etc. Our products are quality-assured and tested. Our strong logistics and delivery team helps us ensure that all the items reach our clients within the stipulated time frame. Additionally, we make certain to attentively listen to the demands of our clients, carry out extensive market research, and adjust our product line accordingly. Taking into account the diverse range of preferences of our customers, we frequently introduce new and designer products as well. All our products are packaged in attractive and sealed packets to ensure cleanliness and safety. Moreover, we highly appreciate the feedback that our clients provide and are dedicated to improving in areas that require enhancement.

Our infrastructure is extensive and meticulously constructed. Equipped with the necessary tools and technology, we are able to efficiently manufacture and test our products. Additionally, we possess a spacious storage facility where we keep our products and manage inventory, enabling us to effectively meet the high-volume and time-sensitive demands of our customers.
