## About Us

Vitaledge International (A Division of Vitaledge Pharmaceutical Private Limited) is a trading expert company that has good experience in the field of all kinds of commodities that are traded in the world network. We are a leading exporter for various kinds of products from agricultural products by prioritizing international standard quality.

We started our company operations as an exporter, supplier, and importer of Basmati Rice, Non Basmati Rice, Sugar, Garlic & Onion, Wheat Seeds, Dry Fruits, Fresh Vegetables, Indian Spices, Edible Oil, Peanut Kernels, Medical Products, Indian Pulses, etc. Our offered product line is procured from the trusted names in the market, stored at our in-house facility, tested for quality and processed further as per the market demands.

## Our Vision

A globally recognized trading company nourishing every day routine. To be in every household, domestically and internationally. Building the most trusted food business offering the best of quality, taste and tradition! Our vision is to enhance development by working satisfaction with our customers around the world. We always innovate and do a different product by improving it and delivering satisfaction to our customer. Become the largest company in the world for product supply.

## Mission

To cultivate, manufacture, process and serve best in class food retaining freshness and hygiene, fit for daily consumption.

To be one of India's leading and most successful exporters in India.

Our expertise embraces the following activities:

We ensure premium quality merchandise.

We deal in bulk spices, food products, sugar etc.

We guarantee the most competitive prices.

We assure prompt and timely delivery.
