About Us

We, Rishabh Engineering & Projects, entered the industry in the year 2006. Flourishing as dependable traders and suppliers in the market, under the mentorship of a visionary, Mr. Ajay Jain, we specialize in a broad range of electrical products. The products we offer include Schneider Make Air Circuit Breakers, Schneider Make Vacuum Interrupters, Heat Shrinkable Cable Jointing Kits, Vacuum Circuit Breaker Spare Parts, and other products. All our products are perfectly made in compliance with industrial norms and standards. High durability, shock resistance, modern design, robust construction, etc. are a few of the factors that make our products stand out in the industry.

Located in the capital city of India, Delhi, we, Rishabh Engineering & Projects, are one of the top trading companies in the industry, recognized for serving a wide range of quality-assured electrical products. Our product portfolio comprises Vacuum Circuit Breaker Spare Parts, Heat Shrinkable Cable Jointing Kits, Schneider Make Vacuum Interrupters, Schneider Make Air Circuit Breakers, and others. Each product represents true workmanship and is worth the purchase. High quality and modern design are the factors distinguishing our products in the market, in addition to their extraordinary cost-effectiveness. Furthermore, we are popular in the industry for our ethical business practices and unwavering dedication to customer satisfaction.
