About the Company

Get to know us.

Founded in 2024 and headquartered in Delhi, Chandeeep Global Exports is your trusted supplier, exporter, and trader of premium-quality leather products and eco-friendly jute bags. Guided by the expertise of Mr. Chandeeep Singh Ahluwalia, with over a decade of experience in the leather and jute industry, we are committed to delivering excellence in craftsmanship and sustainability. Our passion for providing innovative, stylish, and functional products has earned us a strong presence in the global export market.

Experience the Difference

At Chandeeep Global Exports, we go beyond products—we create experiences. Our carefully crafted leather goods and jute bags blend tradition, luxury, and eco-consciousness. Whether you're looking for a durable leather wallet, belt, laptop bag, hand bag or an eco-friendly jute tote, we ensure each product meets the highest standards of quality and style.

Key Features

UNMATCHED CRAFTSMANSHIP

Generations of Indian artisans have perfected their craft, reflected in every leather and jute product we offer.

SUSTAINABILITY AT HEART

From biodegradable jute to eco-conscious processes, we prioritize protecting the planet.

GLOBAL QUALITY STANDARDS

Rigorous quality checks ensure products that exceed global expectations.

Luxury & Sustainability

Leather Products

Renowned for their timeless appeal, luxurious texture, and exceptional durability, our leather goods combine tradition with modern innovation. From leather shoulder bags to wallets and belts, each piece is meticulously designed for elegance and practicality.

Jute Bags

A sustainable alternative to plastic, our jute bags are celebrated for their strength, versatility, and eco-friendliness. Perfect for everyday use, gifting, or specialized needs, they showcase India's rich heritage and commitment to sustainability.
