## About Us

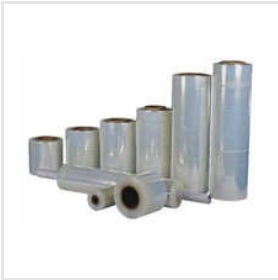

Our company, Shree Hari Industries, has set the bars very high by offering unmatched quality products such as BOPP Printed Prime Tape, Multi Color Tape, Coloured Stretch Film, Microns Stretch Film, etc. The raw material used by our manufacturer and supplier company in the production process is of superior quality that enable us to design premium category products. Further, to carry out different process such as production, quality testing, packaging, etc., we have divided our infrastructure into various wings, which promotes smooth functioning. Our network reach is also wide as a result of which we are able to deliver products at customers doorstep within a stipulated time. Till now, no customer has been disappointed from our products, policies or working approach, which motivates us to work with same ground of excellence.

Shree Hari Industries is operational since 2020 and catering to customers demand associated with BOPP Tapes, Brown BOPP Tapes, Double Sided Tapes, Masking Tape, etc. Considering our nature of business, we have installed the best production facilities at our Ahmedabad, Gujarat, India based unit that not just simply our operations but enable us to meet bulk orders. We have always served customers in exceptionally well manner and will continue to do so throughout our existence.
