## About Us

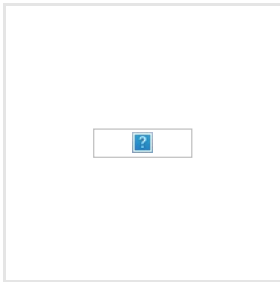

With the aim to provide reliable Electronic products to the people at reasonable prices, we, Ashlyn Chemunnoor Industries Pvt. Ltd., ventured into the business. Our company started its journey in the year 1989, under the flagship of renowned Redland Group. Today, we are a well established manufacturer, supplier and exporter of ICP Spectrometer, EDX Spectrometer, Induction Furnace, Laser Marker, Econo Gold Purity Detector, Moisture Analyzer, Gold Cutter Machine, Laser Welder and many other products. With the use of A grade spares, components, wires and many other material, these are made by our skilled workers as per national norms.

Our company started its Offset Print Finishing Equipment Division in the year 1996, and today, we are counted among the top notch suppliers of Print Finishing and Packing Equipment in India. These products are offered by us to customers, under the brand name Redlands, which is known for its superb quality. Along with these, we are owning modern Construction, Automobile and Agriculture Machinery division. These divisions support us in meeting the requirements of Indian farmers by providing them reliable products at affordable prices.

**Key Facts**

<b>Nature of Business</b>	Trader
<b>Primary Competitive Advantages</b>	induction melting furnaces,gold melting furnace,fiber laser marker,gold testing machine,gold purity testing machine,industrial weighing scales,weighing balances,silver checking machine,element detector,element analyser
<b>No of Staff</b>	500
<b>Year of Establishment</b>	1989
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	induction melting furnaces,gold melting furnace,fiber laser marker,gold testing machine,gold purity testing machine,industrial weighing scales,weighing balances,silver checking machine,element detector,element analyser

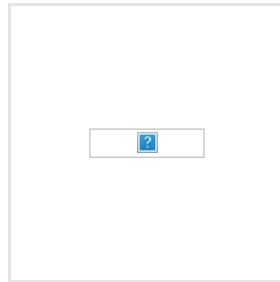

## Our Products

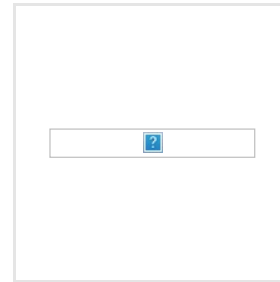

**CP Series**

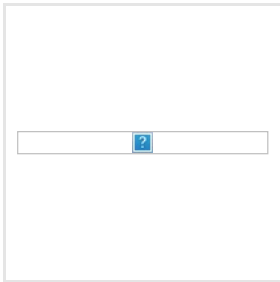

**Explorer 5000**

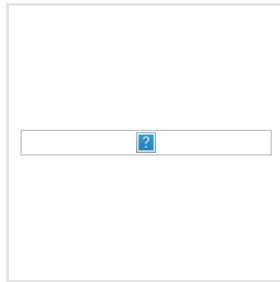

**Gold Purity**

**Gold Purity Analyser**

**MB27 Ohaus Moisture Analyzer**

**Multi Colour Moving Display**

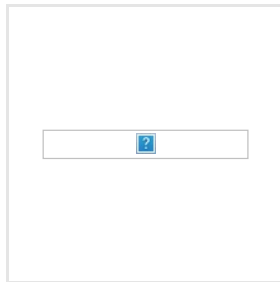

**Price Computing Weighing Scale**

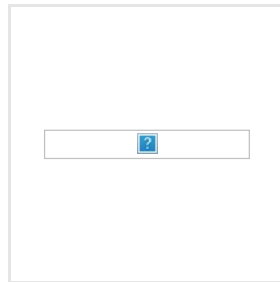

**BM 22**

**EDX-700 Gold Purity Analyzer**

**Gold Purity Analyser**

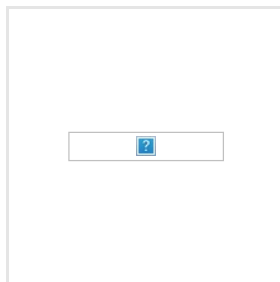

**Gold Purity Analyser**

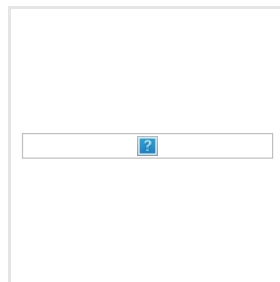

**MB120 Ohaus Moisture Analyzer**

**EDX-600 Gold Purity Analyzer**

**CA & CB Series**

**Spectrum Analyser EDX 2800**

**Element Analyser EDX 3000**
