About Us

Founded in 2020, Falcon Refrigeration Industry is a fast-growing name in the industry of refrigeration and cold storage solutions. We are an Indian company that is best known for our quality as a manufacturer, supplier, and exporter of a vast array of products such as Cold Storage Rooms, Blast Freezers, Cold Clean Room Doors, Cold Room Condensing Units, and so on. As a committed service provider, we also provide Maintenance and Repair Services. We are proud of our capability of addressing various client needs with accuracy, providing customized solutions that match precise specifications. Our dedication to quality, innovation, and customer satisfaction has enabled us to establish a robust presence in domestic as well as international markets.

Our team at Falcon Refrigeration Industry comprises highly skilled, experienced, and dedicated professionals who are passionate about delivering excellence. With expertise in engineering, design, and customer service, our team ensures every project meets the highest quality standards. We work collaboratively to provide innovative refrigeration solutions tailored to client needs, driving our company's growth and client satisfaction.
