## About Us

We, S B Machinery, are not so old in the industry, but our large clientele and powerful market reputation speak volumes for the love and appreciation we have earned within a short time period. We are reputed as preeminent manufacturers, suppliers, exporters, and service providers in the industry, specializing in innovative industrial solutions. The products we offer include Auto Drop Pet Blow Moulding Machines, Stainless Steel IR heater PET Bottle Making Machines, Semi Automatic Fridge Bottle Pet Preform Blowing Machines, Stainless Steel Water Chillers, and others. Designed and developed with the utmost perfection, our products stand out in the market. Each product is longer-serving, anti-corrosive, exhibits fluency and efficiency in performance, and is captivating in appeal with a sturdy exterior. Similarly, the maintenance and repair services we render are noted for their reliability and promptness in the market.

We promise our customers the highest standards of quality in all that we do. We guarantee them to serve the best in exchange for their hard-earned money. To date, we have received all the positive comments about our products and services. However, we are open to suggestions from our customers to improve our services, enhancing their experience at our organization.
