SSG Paper

A leading producer of premium specialized white and colored MG poster paper as well as MG tissue paper is SSG Paper Mills Patiala. The poster paper comes in weights ranging from 15 to 80 grams per square meter and is intended for use in a variety of industries, including the printing, converting, coating, and paper napkin, as well as soft tissue and toilet paper. Our poster materials are strong, have a fantastic visual appeal, print well, and have a nice finish. Both sheets and reels of the papers are available. All of the waste paper that we use is recycled. The Deckle 3010 machine is appropriate for a broad variety of converting apparatuses.

Our tissue and poster papers are highly regarded in the packaging and conversion sectors.
