About Us

Founded in 2020, S A Tensile Structure stands as a premier manufacturer and supplier of Tensile Canopy Structure, PVC Bridge Tensile Structure, Car Parking Awnings Structure, Dome Gazebo Hut Structure, Dome Structure, etc. Nestled in the heart of Mirganj, Uttar Pradesh, India. Specializing in innovative tensile solutions, we craft an array of structures that redefine spaces with elegance and functionality. At the core of our offerings are Tensile Canopy Structures, designed to harmonize beauty with durability. These structures lend a touch of modernity to outdoor spaces, be it for commercial complexes, residential areas, or recreational spots. Our products are a testament to engineering excellence, providing not just shelter but also enhancing the aesthetics of bridges. Designed to withstand the elements, they offer a blend of form and function.

We go beyond mere manufacturing. Recognizing the importance of impeccable installation, we empower our clients by providing installation services for our products. This commitment ensures that every structure we create not only meets but exceeds expectations, bringing visions to life with precision and care. Whether it's an elegant canopy, a sturdy bridge structure, or a charming gazebo, S A Tensile Structure is your partner in transforming spaces with innovative tensile solutions.
