About Us

Our company, Marshal Grips, began with an idea from Mr. Narayanlal H. Mewada, who wanted to organize the fixer and fastener sector in Maharashtra. Starting with just one size of plastic and wooden wall plugs, we gradually expanded our range. In just two years, we grew to serve customers across India. Today, we offer a wide variety of products, including Dry Wall Anchors, Frame Fixing Wall Plugs, Plastic Wall Plugs, Tile Leveller, and more. Our manufacturer and supplier company designs products to be convenient, straightforward, and affordably priced, helping customers get their jobs done quickly and correctly, from the very first product. We focus on quality over quantity, ensuring we only expand in markets where we can truly deliver excellence. Our motto is to provide the highest quality at reasonable prices.

Marshal Grip is a leading provider of high-quality fixings and fasteners, operating from Palghar, Maharashtra, India. Our company is dedicated to serving customers with a comprehensive range of products, including Tile Spacers, Meal Saddle, Butterfly Wall Plug, DW Wall Anchor and more. Over the years, we have built a strong reputation for reliability, innovation, and customer satisfaction. Our commitment to excellence and customer-centric approach has enabled us to grow rapidly, expanding our reach across India while maintaining our focus on delivering top-quality products at competitive prices.
