About Us

Started in 2022, we, Gaatha Industries Private Limited, have gained high popularity in the market. We are one of the most talked about companies of the market, known for our exceptionally well products, fair trade policies and unbeatable prices. We serve the industry as a trader, wholesaler and retailer, by supplying FDB Fat Box Fiber Optic Distribution Box, Fibershot Pro Series OTDR, Tiffin Box Closure Closer Termination Box, Combo Optical Power Meter, AC Type 2 Electric Vehicle Socket Charger, Fibershot Visual Fault Locator, and many other products. We have maintained a huge portfolio, which comprises creations of many top brands of the market. With this portfolio, we efficiently fulfill diverse requirements of customers and set benchmarks.

In order to regularly maintain stock of our products, accept and fulfill the retail or bulk demands of customers, we have maintained a reliable vendor base. It has been chosen after conducting several market analysis and analyzing traits of various companies. We have tied-up with companies that provide us with the required products in bulk quantities, thereby enable us to fulfill retail as well as wholesale orders of customers.
