# HYGIENE PRODUCTS

**At Cronax Industries,** we offer a range of hygiene solutions designed for cleanliness, safety, and efficiency in commercial and industrial spaces. Our products include air curtains and PVC strip curtains to block dust and pollutants while improving temperature control, touchless hand dryers and soap dispensers for consistent sanitation, and shoe shining machines to maintain footwear hygiene.

We also provide insect killer machines and fly catchers for effective pest control. Focused on innovation and quality, Cronax products ensure clean, safe, and compliant environments across various industries.

## AIR CURTAIN

**Cronax Air Curtain** is a cutting-edge product designed to maintain a controlled environment by preventing the exchange of air between indoor and outdoor spaces. Perfect for entrances in commercial or industrial settings, the air curtain creates an invisible barrier using high-speed air, which helps to retain indoor temperature and keep out contaminants such as dust, insects, and pollutants.

# PVC STRIP CURTAIN

**Cronax Industries** – India's leading manufacturer of hygiene solutions, offers top-quality PVC strip curtains designed to improve operational efficiency and hygiene across various sectors. These curtains are crafted from high-grade polyvinyl chloride (PVC), known for its durability, transparency, and flexibility. Cronax PVC strip curtains are engineered to provide effective thermal insulation, dust and insect control, and noise reduction, making them an ideal solution for environments such as food processing plants, warehouses, factories, and cold storage facilities.

## Key Features:

**Temperature Control:** These curtains act as thermal barriers, helping maintain controlled temperatures in areas such as cold storage units or air-conditioned rooms, reducing energy costs.

**Enhanced Hygiene:** By acting as a protective barrier against dust, contaminants, insects, and pollutants, they help maintain cleanliness and meet industry hygiene standards.

**Durability and Transparency:** Made from flexible yet tough PVC material, Cronax strip curtains ensure long-lasting performance without sacrificing visibility between different work areas.

**Noise Reduction:** PVC strip curtains effectively minimize noise, helping create a quieter, more focused work environment.

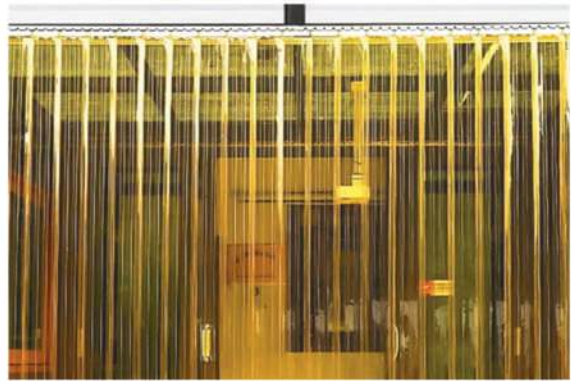

**Customizable Design:** Available in various sizes, thicknesses, and colors, Cronax strip curtains can be tailored to meet the specific needs of different industries and applications.

# HAND DRYER

Cronax Hand Dryer is a powerful, eco-friendly solution for fast and efficient hand drying, designed to promote hygiene while reducing the environmental impact of paper towels. Ideal for use in restrooms across commercial, industrial, and public spaces, it combines speed, durability, and modern design.

## Key Features:

**Fast Drying:** Equipped with a high-speed motor, the Cronax hand dryer dries hands in seconds, reducing restroom wait times and improving user convenience.

**Hygienic and Touchless:** The touch-free operation minimizes the spread of germs and bacteria, enhancing hygiene in high-traffic areas

**Energy Efficient:** Engineered to use minimal energy, the Cronax hand dryer delivers high performance while keeping energy consumption low.

**Durable Construction:** Built from robust, long-lasting materials, it can withstand heavy use, making it ideal for busy environments.

**Sleek Design:** With its modern look, the hand dryer fits seamlessly into any restroom design, adding both functionality and style.

# AUTOMATIC DISPENSERS

**Cronax Automatic Dispensers** range, featuring both **paper** and **soap dispensers**, is designed to offer superior hygiene solutions with a focus on touchless operation and user convenience. These automatic dispensers are perfect for use in restrooms, kitchens, hospitals, and cleanrooms, ensuring that hygiene and cleanliness are maintained at the highest level.

## Key Features:

**Touchless Technology:** Both the paper and soap dispensers are equipped with infrared sensors for automatic, hands-free dispensing, reducing the risk of cross-contamination.

**Efficient and Hygienic:** The paper dispenser provides controlled, one-at-a-time dispensing, minimizing waste, while the soap dispenser delivers the perfect amount of soap or sanitizer to ensure proper handwashing.

**Durable and Stylish:** Made from high-quality materials, these dispensers are designed for durability and longevity, with a sleek and modern appearance that fits seamlessly into any environment.

**Easy to Refill and Maintain:** The transparent windows in both dispensers allow for easy monitoring of levels, and the refillable containers ensure continuous, hassle-free operation.

**Energy Efficient:** Both the paper and soap dispensers are energy-efficient, using minimal power while providing reliable, long-lasting performance.
