About Us

Since 1982, Triveni Wires Pvt. Ltd. is a trusted manufacturer, exporter and supplier of premium-quality wire products. Headquartered in Nagpur, Maharashtra, we have earned a strong reputation for delivering reliable and durable solutions for fencing, protection, and industrial applications. With decades of experience, we combine innovation with precision to meet the diverse needs of clients across India and overseas.

We specialize in producing Barbed Wire, Knotted Fence, Concertina Coil, Wire Nail and Binding Wire that meet the highest standards of quality and performance. Each product is crafted with advanced technology and stringent quality checks to ensure maximum strength and long-lasting performance. Whether it's for agriculture, industrial safety, infrastructure, or construction projects, our products are designed to provide cost-effective solutions without compromising durability.

We believe that quality is the foundation of trust. From raw material selection to the final dispatch, our team follows strict quality protocols to maintain consistency and reliability in every product. Our in-house testing facilities and skilled workforce ensure that every wire solution is not only strong and safe but also tailored to customer requirements. By continuously upgrading our processes, we strive to stay ahead of industry standards.
