About Us

Air-O-Tech Enterprises is known in the market as a reliable trader and supplier of Toshiba AC Fan Card PCB Board, Daikin VRF Filter PCB Card, Blue Star IVRF Fan Card, LG VRF Fan Card PCB, Voltas VRF IPM AC PCB Board, and more. We obtain our items from reputable and trustworthy suppliers in the sector. A few things we took into account while selecting these vendors were their ethical business practices, the cost and quality of the product, and the speed at which they delivered.

Furthermore, we are held as a highly regarded service supplier in the industry. We provide repairing service for all of our goods to our clients. These services are provided to our clients by a team of professionals that are highly skilled and informed. Additionally, we have kept the costs of our goods and services as cheap as possible in order to meet the demands of a wider audience.
