

High Quality Kitchen Sink

PRODUCT SPECIFICATION SHEET & TECHNICAL DATA

Technical Specifications

Specification Parameter	Details
Model Number	Nt-306
Overall Size	34" x 20" x 9"
Configuration	Single Bowl with Integrated Drainboard
Material Type	Premium Composite Quartz / Granite
Finish	Matte Textured Light Grey

Specification Parameter	Details
Drain System	Square Deluxe Strainer Assembly Included

Key Features

- **Integrated Drainboard:** Designed with an elegant, sloped built-in drainboard space to ensure seamless water runoff directly back into the basin.
- **Sound Dampening:** High-density composite material structure naturally minimizes noise and vibration from water flow and utensils.
- **Thermal & Scratch Resistance:** Highly durable surface profile engineered to resist household scratches, impact, and thermal shock from hot cookware.
- **Hygienic Surface:** Non-porous matte surface repels dirt and stains, ensuring a completely easy-to-clean and hygienic maintenance routine.
