Ideas impulses innovations

we're taking the next step

Welcome to universe of **Blue Star Sanitary Industries (P) Ltd.** which making of sinks, modern as well timeless designs and quality materials products, which you will be able to enjoy for a long time. New and innovative solutions, the unique and dedicated production team, provide our products with additional advantages, which you as our customers will particularly appreciate.

Fine lines with fellings

Silver Shine brand sink offers you different basic forms. Choose from single to double bowl to sinks without drainboards to those with twin drainboards. Decide yourself, which is better suited to your taste!

A new dimension

Silver Shine brand qualitative sinks captives through its unusual charm. Two ellipses divided in the middle provide with its striking form and at the same time create generous storage space. It can be beautifully combined with any modern interior decor letting you experience a new dimension.

Modern Style with Soul

The special geometry, select materials and intensive R&D not only make Silver Shine brand a good space saving device but also a very tasteful and reliable solution for your home. Despite its small measurements, the sink offers much storage space and when placed in the corner, it makes perfect use of the available space.

Lively character

Silver Shine Brand sink make an impression through its clear lines. These straight lines, however, are softened by rounded areas and thus it keeps its light and lively character. It also incorporates modern technology.

Variety of forms and measurements

The Silver Shine Brand series has the appropriate solution for every budget and imagination. For you to experience a lifetime of efficiency, durability and joy!
