About Us

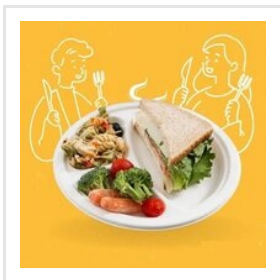

Reputed for offering top-notch products and building trust, we, Kagathara Industries LLP are one of the budding manufacturers, suppliers, and exporters in the industry. We specialize in a broad range of highly durable Sugarcane Bagasse Round Plates, Bagasse Square Plates, White Clamshell Boxes, Biodegradable Bowls, Compartment Plates, and other products. Noted for their perfect design, lightweight, captivating appeal, and resistance to breakage, our products are in increasing demand across the globe. With business excellence and the backing of our team of proficient professionals, we are able to timely meet the demands of a worldwide customer base in the best manner possible.

Apart from this, we also strive to deliver products that exactly match the demands of our customers and further exceed their expectations. Our professionals stay up-to-date with the latest trends and customer demands. No wonder why our customers always return to us whenever a need for the aforementioned products arises! We are grateful to our professionals and customers for our tremendous growth. Had it not been for the efforts of our professionals and the support of our patrons, we would have never been able to flourish as we do currently.
