Ltd., founded in 2002, in Pune, Maharashtra, India, manufactures and supplies Water Treatment Chemical, Industrial Chemical, Wastewater Treatment Chemical, and more. Our team is dedicated to providing excellent customer service, ensuring timely delivery, and building long-term partnerships with clients.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	Water Shut Off polymer,Drilling Fluids polymer,Enhanced Oil Recovery polymer,Bored Pile Construction polymer,Slurry Wall Construction polymer,PHPA,anionic polymer,cationic polymer,Color precipitants,cationic flocculant
No of Staff	60
Year of Establishment	2002
OEM Service Provided	No
ProductRange	Water Shut Off polymer,Drilling Fluids polymer,Enhanced Oil Recovery polymer,Bored Pile Construction polymer,Slurry Wall Construction polymer,PHPA,anionic polymer,cationic polymer,Color precipitants,cationic flocculant

Our Products

Enfloc K-165 Industrial Chemical

Enfloc PS-3055 Water Treatment Chemical

Enfloc ES-120 Water Treatment Chemical

Enfloc ER-336 Industrial Chemical

Enfloc ER-335 Industrial Chemical

Enfloc K-180 Water Treatment Chemical

Enfloc ER-336 Water Treatment Chemical

Enfloc ER-218 Water Treatment Chemical

Enfloc P-3050 Water Treatment Chemical

Enfloc K-165 Water Treatment Chemical

ZAL-1010 Industrial Chemical

Enfloc PS-3500 Industrial Chemical

Enfloc PS-3055 Industrial Chemical

Enfloc ES-120 Industrial Chemical

Enfloc ER-218 Industrial Chemical

Enfloc P-3050 Industrial Chemical
