About Us

Introducing Precisetech India Private Limited, a well-established company with more than 5 years of market experience in delivering top-quality products at market-leading costs. We are known in the market as a leading manufacturer, supplier, trader, and exporter of Single Aerial Roller Tandom, Three Sheave Aerial Roller, Cable Gripper, Conductor Turn Table, D Shackle, and more. Customization of our product range is done keeping in mind industrial requirements and current market trends. We are leaders in this field for many reasons. One of them is that we make no compromises with the quality of our products, no matter what. Hence, all the steps from the procurement of raw materials to the final testing are overseen by our team of experts. They make sure that the quality of our offerings meets or exceeds the set parameters. Our offered range of items are available in the market at competitive prices, making us easily accessible to a larger audience. Moreover, our strong logistics and delivery team make sure that all the items reaches our clients within the promised time frame.

Precisetech India Private Limited was founded in 2017, in Ahmedabad, Gujarat, India. We manufacture, supply, trade, and export products like DTH Hammer, Seven Bolted Come Along Clamp, Conductor Drum Lifting Jack, Manual Hydraulic Compressor Joint Machine, Open Single Sheave Pulley, and more. Over the years, we have established a strong foothold for ourselves in the market. Our clients trust us, and we make sure that their trust is not broken in any way. With the help of our well-drafted marketing policies, we have gained immense popularity and recognition in the country. The awareness of our brand has grown enormously due to this.
