About Us

Try Wolf is a go-to company when in search of buying high quality inks, labels, screen printing frames, clothes, and many other products. We are famous in the market for providing customized solutions, specially for our range of clothing which includes Oversized T Shirts, Men Custom T Shirt, Mens Polo T Shirt, and more. We understand the requirements of customers and we create the best pieces by customizing clothing items on grounds of designs, prints, materials, and many others.

We cater to the huge share of market by working as a professional manufacturer of Flat Heat Transfer Label, Garment Wash Care Label, Screen Printing Khadi Ink, Footwear Printing Ink, Silicone Heat Transfer Labels, Screen Printing Frames, and several other products. At our company, we have professionals, who understand the quality standards and norms of the industry. With their support, we are making available the finest products. We offer most of the inks, prominently in solvent base for screen printing application. But by incorporating new technology and techniques, we can also provide various types of inks that are water based. These inks are extensively used for printing upper of shoe that is generally made from synthetic leather, leather, rexine, PU, etc.
