RAILWAY SINGALING EARTH LEAKAGE DETECTOR

TRACK FEED BATTERY CHARGER

THERMOSHRINK JOINTING KIT

About Us

Rudra Global Power is one of the most reputed suppliers and traders of a varied range of products, including Earth Leakage Detector, Battery Charger, Thermoshrink Jointing Kit, Cable Locators, GPS Synchronized Digital Clock, and more. Since we are not an original manufacturer, ensuring that we work with professional vendors is our main priority.

We do business with a team of highly experienced individuals who have in-depth knowledge of their respective fields. We maintain cordial relationships with these vendors so that we are able to maintain our inventory and cater to the bulk and urgent requirements of our clients. Our vendors manufacture a range of quality-assured items, and we pass each product through a series of quality assurance tests. This helps us ensure that they are highly efficient, durable, and able to function well for a long period of time. We accept no latency in our product delivery, and for that, we do business with a group of strong logistics and delivery teams. Moreover, by keeping the prices of our offerings as low as possible, we ensure that we are able to cater to the requirements of many.

Key Facts

No of Staff	3
Year of Establishment	2024
