About Us

Established in Mumbai, Maharashtra, Dhatuinox Industries is a trusted manufacturer, supplier, and trader of premium quality industrial metal products catering to diverse engineering and industrial sectors. We specialize in offering a wide range of products including Round Bars, Tee Fittings, Inconel Nut, Stainless Steel Fittings, Industrial Flanges, and so on. With a strong commitment to quality, precision, and customer satisfaction, we source and deliver products that ensure excellent performance, durability, and corrosion resistance even in demanding environments. Our products are widely used across industries such as oil & gas, petrochemical, power generation, construction, pharmaceutical, marine, and heavy engineering.

Backed by experienced professionals and a customer focused approach, we continuously strive to provide timely delivery, competitive pricing, and technically sound solutions tailored to client requirements. Every product undergoes strict quality checks to ensure reliability and dimensional accuracy. We believe in building long term business relationships through transparency, consistency, and uncompromising product quality. Our dedication to excellence has helped us establish a strong presence in the domestic and industrial market.
