About Us

As one of the most important carbohydrates, rice is the primary source of energy for more than half of the individuals across the globe, and thus its market is ever-growing. We, New Durgamata Agro Product, stepped into the business in 2017 with the aim of revolutionizing the industry and bringing forth an exclusive range of premium-quality rice. Our product line includes Jeerakasal Rice, Atap Rice, Swarna Atap Rice, Jeerakathi Rice, Gobindobhog Rice, and other varieties. We serve the best-in-class rice at affordable prices.

Hence, within less than a decade, we have secured a prominent position in the market as dependable and top manufacturers and suppliers. From all over the nation, customers show trust in us to fulfill their health quotient, and we guarantee to not disappoint them. In addition to delivering them rice that has a longer shelf life, is hygienically packed, and is aromatic, we also offer them reliable delivery services and prompt after-sales services. Also, at our organization, customers never have to worry about the transaction process. It is guaranteed to be smooth, secure, and quick, leaving our customers totally in awe of our impeccable business performance.
