About Us

Founded in 1992 and located in Raipur, Chhattisgarh, First House is a reliable manufacturer, service provider and supplier of industrial machinery and precision machining services. With decades of expertise, we cater to a diverse clientele, delivering innovative solutions that optimize productivity and efficiency. Our dedication to quality and customer satisfaction has made us a trusted partner across industries.

We specialize in a wide range of machinery and services, including Scrap Utensil Flattening Press, Paper Baling Press, Hydraulic Billet Shearing Machine, CNC Turning Machining Service and Brass CNC Lathe Machining Service. Each product is crafted with precision, ensuring durability, efficiency, and high performance.

**Key Facts**

Nature of Business	Manufacturer
Primary Competitive Advantages	hydraulic press cylinder,oil hydraulic press,h frame hydraulic press,hydraulic press cutting machine,hydraulic machines,hydraulic press machine,
No of Staff	30
Year of Establishment	1992
OEM Service Provided	No
ProductRange	hydraulic press cylinder,oil hydraulic press,h frame hydraulic press,hydraulic press cutting machine,hydraulic machines,hydraulic press machine,

Our Products

Wood Splitting Machine

General Purpose Hydraulic Press

Vertical Wood Log Splitter

Hydraulic Laminating Press

Hydraulic Carbon Press

Pet Bottle Baling Press

Hydraulic Scrap Baling Press

Dish End Forming Hydraulics Press

Fix Frame Hydraulic Press

Hydraulic Coining Press

H Frame Hydraulic Press

Hydraulic Cast Iron Breking Machine

Top Pressing Hydraulic Wax Press

C Frame Hydraulic Press

Scrap Utensil Flattening Press

H Beam Straightening Hydraulic Press
