About Us

Tahseen Machine Mart is a customer-driven manufacturer and wholesaler. We were established in the year 2021, dedicated to delivering top quality industrial machinery and equipment. We mainly specialize in manufacturing and supplying the full line of winding machines: Transformer Winding Machines, Motor Coil Winding Machines, Fan Winding Machines, and lots of other relevant products, meeting different demands by the varied needs of several industries.

We respect the need for accuracy, dependability, and efficiency in operations and thus our machinery is built for maximum performance. Our clients will enjoy the minimal amount of downtime, maximizing their time in operation. We are proud to achieve the optimal client satisfaction level in all our deals. Further, our team works hard from inquiry to post-purchase services to ensure all the expectations of clients are being met.
