## About Us

Surya Electricals is known in the market as a reliable manufacturer, supplier, and trader of MS Street Light Pole, Hot Dip Gi Street Light Pole, Custom Octagonal Pole, Bajaj High Mast Street Light Pole, Tubular Swaged Poles, and more. Our team of experts makes sure that every product we manufacture is made using premium-quality raw materials. These items are procured from reliable vendors in the market. After manufacturing, each item is passed through a series of quality assurance tests as well. This helps us ensure that our items are highly durable, efficient, and serve a long period of time.

Surya Electricals was founded in 2008 in Medak, Telangana, India. We manufacture, supply, and trade products like Flag Mast Pole, Hot Dip Gi Street Light Pole, Custom Octagonal Pole, Bajaj High Mast Street Light Pole, Tubular Swaged Poles, and more. We have developed a solid presence in the market over time. Our superior products, open communication, and moral business practices have all contributed to this. Our vendors and clients have friendly, well-established relationships with us, and they have faith in us. Every project we embark on, we aim to give it our all and always want complete client satisfaction.
