About Us

Rio Metal & Alloys Llp is known in the market as a reliable trader and supplier of Carbon Steel Welded Pipes, Carbon Steel Round Pipes, Carbon Steel ERW Pipes, Carbon Steel Square Pipes, Carbon Steel Rectangular Pipes, and more. Our items are manufactured using quality-tested raw materials, which are procured from reliable vendors in the market. That makes the quality of our products on par with international standards. Our items are known to be highly durable, effective, have a corrosion-resistant surface, and have a long service life.

Our infrastructure covers a vast expanse of land and is constructed with robustness in mind. It is designed to meet our production needs and demands, and is equipped with the latest tools and technology required for manufacturing and testing our products. These machines are regularly upgraded to keep up with the latest technology and are well-maintained. Additionally, our spacious warehouse area allows us to fulfill bulk and urgent client requirements. It is strategically divided into shelves to efficiently store our products and manage inventory. Our warehouse area is closely monitored and maintained at the appropriate temperature for optimal storage of our items.
