About Us

The excellent brand reputation Sathe Synthetics has attained today, is the outcome of dedication, commitment and high standards. Right from the establishment in 1995, the company has been catering to the requirements of various industries like home furnishing, consumer fabrics, textile, geotextile, etc. Due to our innovative approaches, efficient production methods and effective policies, we are able to become a prominent manufacturer and supplier in the market. The products we are manufacturing and providing to the customers include Polyester Yarn, PP Crimpy Yarn, PP FDY Twisted Yarn, PP FDY Yarn and Woven Yarn.

Without the support of our teammates, it is not possible for us to cope up with the latest trends of the market. Our employees keep themselves updated with the latest developments and demands of the market as per which we manufacture the goods. In different colors, we are offering the yarns to the customers at affordable prices. We have a fully-fledged production house in Ghaziabad, Uttar Pradesh where the goods are made in compliance with the industrial standards. While manufacturing the goods, we make sure that all the industrial norms & guidelines are strictly followed by us.
