## About Us

Sankalp Play Equipments, established in 2018 and based in Pune, Maharashtra, is a trusted manufacturer, trader, and supplier of superior outdoor and children play equipment. With a strong commitment to quality and safety, we specialize in a wide range of products including Outdoor Gym Equipments, Kids Playground Equipments, Kids Playground Flooring, Multi Play Station and Kid Trampoline. Our journey began with the goal of providing innovative and durable play solutions that promote physical fitness, fun, and developmental growth for all age groups. Over the years, we have grown steadily by focusing on customer satisfaction, timely delivery, and consistent product excellence. Each product we offer is carefully designed and crafted using high grade materials to ensure longevity, safety, and aesthetic appeal for homes, schools, parks, and recreational centers.

We understand the importance of outdoor activities in fostering healthy lifestyles and social skills among children and adults alike. Our expert team continuously researches and incorporates the latest trends and safety standards, ensuring our equipment meets rigorous quality benchmarks and regulatory guidelines. As a client focused company, we pride ourselves on flexible solutions tailored to diverse customer needs across India and beyond. Whether you require customized playground flooring or robust outdoor gym setups, we are your reliable partner in creating engaging and secure environments for active play.
