About Us

Poona Industries is a reliable manufacturer and supplier with expertise in providing high-quality outdoor lighting products and electrical infrastructure materials. We deal in a variety of products ranging from Garden Lighting Poles to Steel Tubular Poles, Street Light Feeder Pillars, Solar Street Lights with Solar Panels, Junction Boxes, and many more. With our strong commitment to quality, we assure that every product is designed and constructed to stand the test of time in terms of durability and performance. Our pioneering designs and heavy-duty construction render us a favorite among clients who need efficient, sustainable, and affordable solutions. Poona Industries endeavors to build new-age infrastructure with an emphasis on quality, safety, and customer satisfaction. Trust us for efficient and trustworthy outdoor lighting and electrical products. Poona Industries has always stood by two core principles since day one: Consistency of quality in fabricated goods and end-user or customer satisfaction. This approach of being business-centric makes us different from the competition.

Since 2018, we, Poona Industries have rich experience in manufacturing and supplying HT Stay Set, Steel Tubular Pole, Street Light Feeder Pillar, Solar Street Light with Solar Panel, Junction Box, and more. Along the way we implemented numerous milestone projects with the Top-knotch Brands. Poona Industries are electrical related fabrication manufacturers based at Pune, Maharashtra. We are ISO certified having 9001:2015 certification. Registered under the Trade Mark Act, 1999. We as an Industry have scaled new heights in order to provide top quality manufactured goods to our associate brands and firms.
