About Us

Set up in 2013, TFF Home And Fabric Care Chemicals Private Limited is a trusted entity known as a notable manufacturer and supplier of a broad range of chemicals. The products we specialize in include Methyl Paraben Powder, Pharmaceutical Excipients, Flavomycine Powder, Liquid Octyl Methoxycinnamate, Plastic Antioxidants, Veterinary Chemicals, and others. Noted for their striking characteristics such as longer shelf life, high effectiveness, accurate composition, and perfect pH value, the products are in increasing demand all over the country.

We are thrilled to note that customers from diverse parts of the nation choose us to be their prime selection not only on the basis of our exceptional product quality but also of our responsive customer care support, secure transactions, prompt delivery services, and other benefits that we shower on them.
